I saw a beautiful butterfly,  
flutter by my face.  
I thought it slowed to look at me,  
I thought I saw its grace.

Like all the creatures in this world,  
we start from an egg, you know.

It is the same for the butterfly,  
but through other changes, does it go.

When the egg finally hatches,  
does the butterfly appear?

Not quite yet; that's when,  
it's a caterpillar, my dear.

Now that caterpillar changes,  
by hanging on a branch.

**Wrapping itself in a blanket of silk,  
giving metamorphosis a chance.**

After some time sleeping,  
in its cocoon as its home.

It ventures out, and dries its wings,  
to flutter and to roam.

The lovely lady butterfly,  
lays her eggs on a leaf.

Then the cycle starts all over,  
watching them is such a treat.

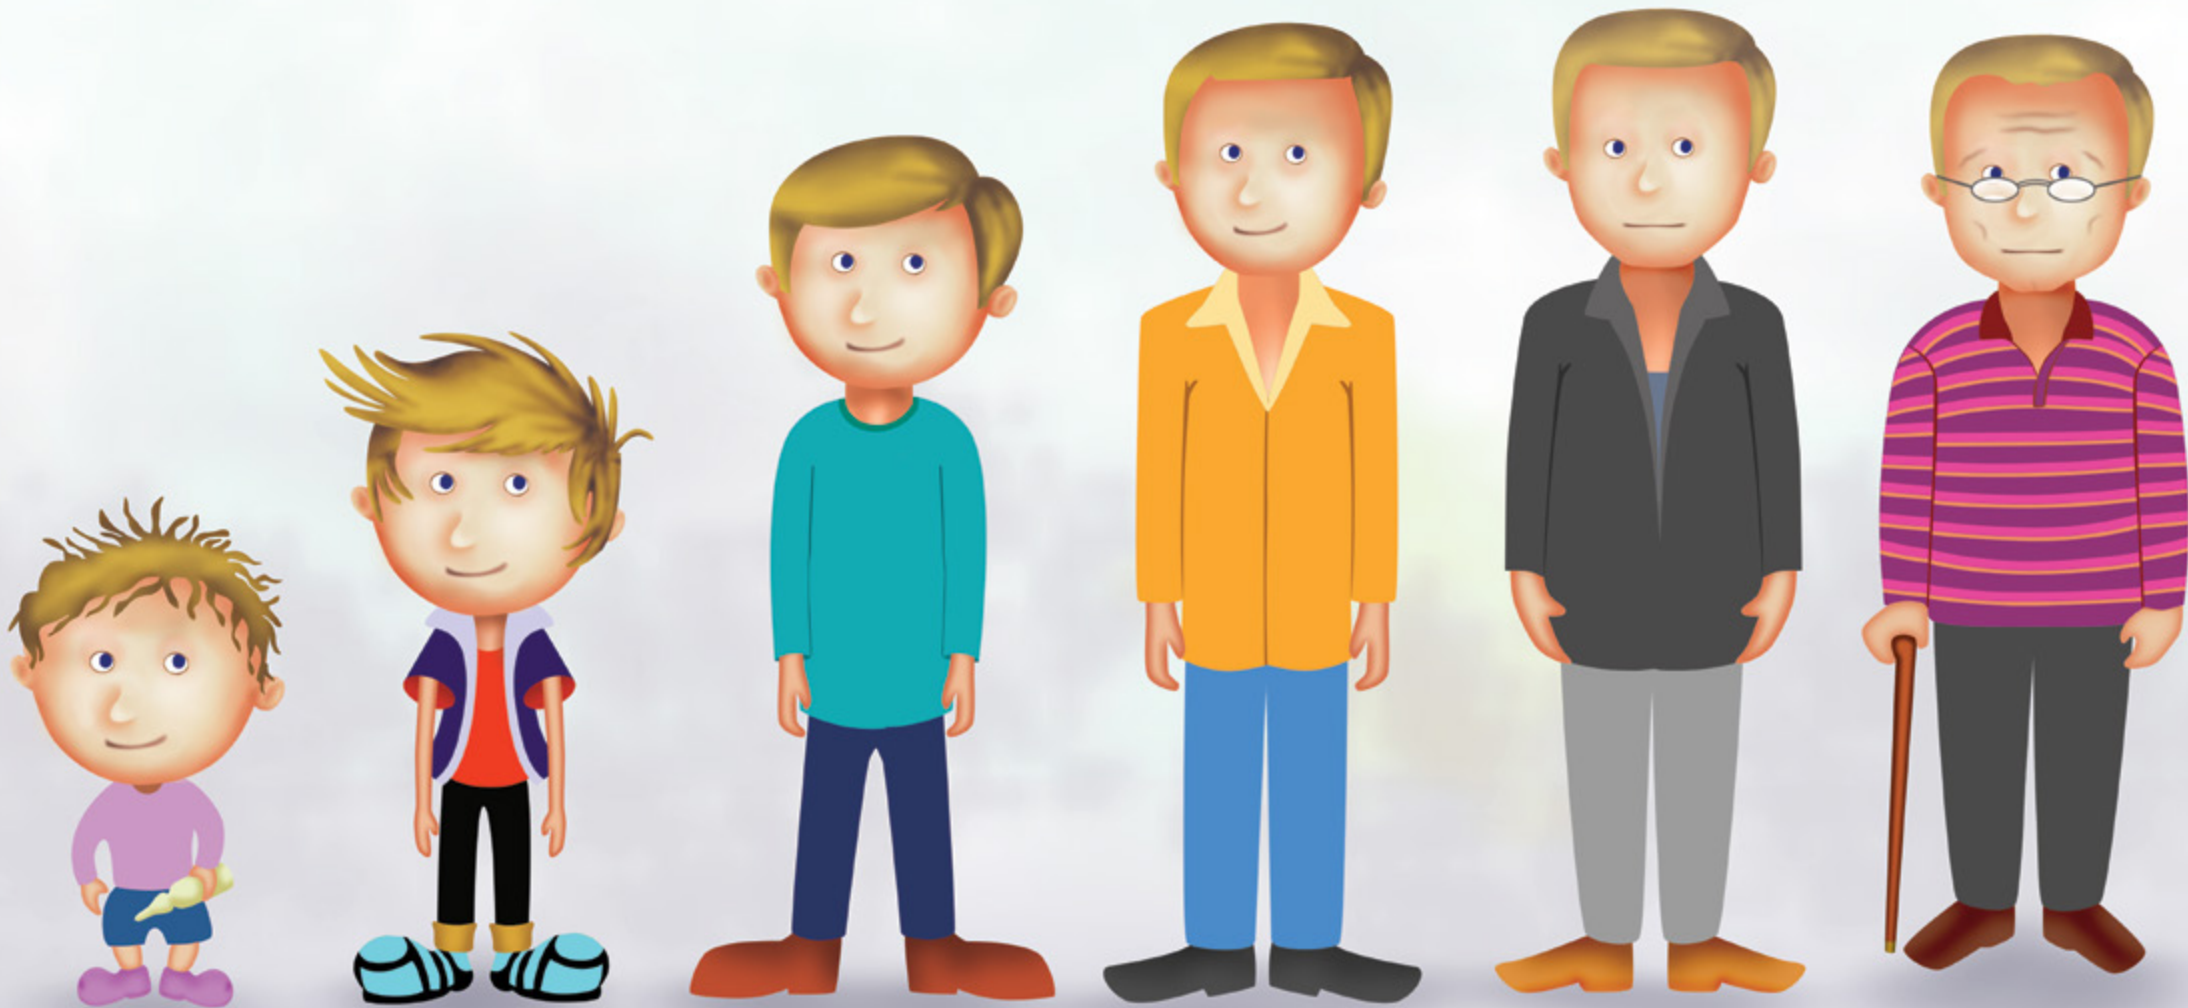

As we grow, we know we change;  
as we change, we know we grow.

Not unlike the butterfly,  
It's the way of life, you know.

# Do You Ever Wonder Where Butterflies Come From?

The magic of nature unfolds in this charming tale of a butterfly's transformation. From egg to fluttering beauty, lyrical verses capture each stage, reminding us that as the butterfly grows, so do we. A delightful read for curious children, inviting them to wonder, "Where do butterflies come from?" The answer awaits within these pages.

Please share our books with your friends and family to support our mission. Thank you
